

ANNOUNCEMENT:

Toll-Related Transactions for RHB Cards/-i

Dear Valued Customer,

To provide a seamless and consistent payment experience, all RHB Cards/-i are now automatically enabled for toll-related transactions effective 5th July 2024 by simply tapping the card on the payment terminal.

When you tap your RHB Cards/-i at the toll payment system, funds will be deducted from the linked RHB Savings or Current account/-i, or from the credit limit. Cardholders are responsible for ensuring sufficient funds or credit limit are available before making toll-related transactions. Should you wish to disable the contactless function, please visit the nearest RHB Bank Branch.

Should you need any further clarification, please contact the phone number at the back of card.

Thank you.
