VEHICLE FINANCING-i (VARIABLE RATE)

Date :

[to be filled by Relationship Manager / Marketing Officer]

What is this product about?

Vehicle Financing-i (Variable Rate) ("the Facility") is a variable rate financing product that allows you to hire a vehicle ("the Vehicle") from the Bank and to purchase and take ownership of the Vehicle after settlement of the last rental payment, based on the Shariah concept of AL-IJARAH THUMMA AL-BAI' (AITAB) (hire followed by purchase).

2. What is the Shariah concept applicable?

The Shariah concepts applicable to the Facility are:

- i. IJARAH: Also known as leasing/hiring. You will hire the Vehicle from the Bank at an agreed monthly instalment over a specific period ("the Hire Term").
- ii. WAKALAH: The Bank will appoint you as a Bank's agent for the purpose of maintenance of the Vehicle during the Hire Term.
- iii. **BAI'**: Literally means sale, where on expiry of the Hire Term/ early settlement/ prepayment, you will enter into a contract to purchase the Vehicle from the Bank at an agreed price. In this regard, you are deemed to have an option of purchasing the Vehicle if you have paid a deposit to the Bank. During the Hire Term, the ownership of the Vehicle belongs to the Bank. On completion of the entire rental payment, a Sales Contract will be executed to transfer the ownership of the Vehicle from the Bank to you.

If you pass away or suffer total permanent disability, the HPRTT will pay off the amount in accordance with the Schedule of Sum Covered as stated in the policy. This will relieve the burden of monthly instalment on your survivors or next of kin.

You may choose to include HPRTT contribution into the total Facility with RHB Islamic Bank and enjoy the protection throughout the Facility tenure.

<u>GUARANTEED ASSET PROTECTION (GAP)</u>: GAP is optional/not required, and you may get the GAP from various Takaful services providers. If there is total loss or theft of the Vehicle, the GAP will cover the difference between the Motor Takaful claim pay out and the outstanding financing. This will relieve the burden of monthly instalment on your survivors or next of kin.

You may choose to purchase GAP contribution separately in order to enjoy the protection throughout the Facility tenure.

Note:

b)

- The agent will provide quotations for Motor Takaful/HPRTT/GAP offered by the Bank's panel of Takaful providers or any other legitimate Takaful operators of your choice and acceptable to the Bank. However, to avoid any delay, the appointment of the Bank's panel of Takaful providers is highly encouraged.
- > In taking the above Takaful protection, the Bank hereby advise you the following:
 - a) You are advised to get the Motor Takaful, HPRTT and GAP.
 - You may get conventional insurance to protect the Vehicle if:
 - i. Your application for Takaful protection is rejected by all Takaful operators; or
 - ii. The cost of insurance protection is much more competitive compared to the cost of Takaful protection.
- > The Takaful protection is important to ensure end-to-end Shariah compliant offering of this product. However, the Bank has the right to claim any amount due even if you choose the conventional insurance.
- > In the event where you opt for conventional Motor Insurance, a portion of deposit paid by you is deemed to be used as payment for the insurance premium.
